Havoc in Heaven!
Thundering clouds blazing light
Fiery blows shooting left and right
Screams and shouts are echoing
All of Heaven has started shaking
(*) Havoc in Heaven!
Havoc in Heaven (8 times)
Havoc in Heaven!
Havoc in Heaven (8 times)
Havoc in Heaven!
Cosmic forces going wild
Pandemonium quite in style
Down on earth they're wondering
Just what in Heaven is happening
* repeat
Havoc in Heaven!
Thundering clouds blazing light
Fiery blows shooting left and right
Screams and shouts are echoing
All of heaven has started shaking
* repeat
Havoc in Heaven
