The great demise
Another life Iâ€™ll never reach anything I want to
To bend the time
I pine away behind the mask of mandatory joy

Canâ€™t keep on running away
Do you see, this is my destiny

I want to be like you
I want live off the things that you always do
I want to be renewed
I want to know what itâ€™s like to be just like you

I wait in line
I walk the shallow empty halls
A terror in my mind
Waiting for you
I start to realize
That youâ€™re standing where I should have been

Canâ€™t keep from falling apart

Do you see, itâ€™s my catastrophe

I want to be like you
I want live off the things that you always do
I want to be renewed
I want to know what itâ€™s like to be just like you

Iâ€™ll take your place
Look for my face
Inside your nightmares tonight

I want to be like you
I want live off the things that you always do
I want to be renewed
I want to know what itâ€™s like to be just like you

Just like you
Just like you
Just like you
Just like you
