Asiatic fever
Asiatic fever
Got the fever
The Asiatic fever
Somebody help me
I got it bad
It's driving me crazy
I'm going mad
I'm turning yellow
My hair's turning black
I'm talking funny
But it's a real snap
(* It's the Asiatic fever
Burnin burnin through
It's the Asiatic fever
What can I do
It's the Asiatic fever
Burnin burnin through
It's the Asiatic fever
What can I do

I get a good feeling
When my blood start boiling
And when I go crazy I go crazy
Keep wanting more and more
And more and more
It's the Asiatic fever
Burnin burnin through
It's a lot worse
That the Asiatic flu
Can't do a thing about it
Tell me what can I do
Burning yes I'm burning
With the Asiatic fever
But I guess I like it
This Asiatic fever
