I thought I reached the end
The end of a long long journey
Only to find It's not over
There's so much more to discover

Somewhere in unknown space
In the bright sea of stars
Another star is calling
To dream on to keep on searching

As long as there are dreams

Burning in the hearts of the young
As long as there's desire
You'll never tire

The Galaxy Express 999
Will take you on a journey
A never ending journey
A journey to the stars
