[de Angelis]

I'm sick and tired of your excuse  
My drunken pig what you've done to me  
For sixteen years we're livin' in hell  
The time is here, I let you feel my spell

In my dreams, in my dreams I kill ya  
In my brain my knife is gonna thrill ya  
In my head a plan for an act of violence  
Cmon here right now, I cut your fuckin' thing

There is no hope that keeps you goin'  
And there's no hope for a nice big family

Bullshit Lover, terminator lover  
I hope, I find your sweet ass sometimes undercover  
Bullshit Lover, number one destroyer  
I hope I find your sweet ass

Well I don't need a Jekyll or Hyde  
And I don't need a midnight sex machine  
Just need a man for me and my kids  
The time is here I let you feel my spell

In my dreams, in my dreams I kill ya  
In my brain my knife is gonna thrill ya  
In my head a plan for an act of violence  
Cmon here right now, I cut your fuckin' thing

There is no hope that keeps you goin'  
And there's no hope for a nice big family

Bullshit Lover, terminator lover  
I hope I find your sweet ass sometimes undercover  
Bullshit Lover, number one destroyer  
I hope I find your sweet ass
