[de Angelis]

We're all soldiers for a lifetime  
We fight, spittin' blood, we run  
There's no guarantee for exile  
One thing we never lose  
Rock'n'roll never never dies in us  
Stay loud and proud my friends  
Put techno, rap, to the flames

Ride with me deeper  
Rock with me creepers

Hell yeah let the tanks roll  
Hell yeah let the tanks roll  
Hell yeah let the tanks roll- hell  
Hell yeah let the tanks roll  
Hell yeah let the tanks roll  
Hell yeah let the tanks roll- hell

Faithless everyday we're stalkin'  
Restless and blind we're bound  
Watch this bloody masturbation  
There is no solid ground  
Rock'n'roll never never dies in us  
Fuck hell and free your mind  
Put all that rap to the flames

Ride with me deeper  
Rock with me creepers

Hell yeah let the tanks roll  
Hell yeah let the tanks roll  
Hell yeah let the tanks roll- hell  
Hell yeah let the tanks roll  
Hell yeah let the tanks roll  
Hell yeah let the tanks roll- hell
