Back to reality  
For the first time in my life  
I thought it was good to be alive  
But I was wrong...

The dreams of yesterday faded away  
There is no more hope  
No more hope

Back to reality  
Where all is dull and grey  
Where living is everyday an ordeal  
Where everything can break down in a split  
second

What a mess I've made of my life  
Will I have the strength to live one more day like  
today?  
Blinded by a past I don't want to see anymore

And a future from where a bleakness is all I can  
see  
What a mess I've made of my life  
Will I have the strength to live one more day like  
today?

Back to reality  
For the first time in my life  
I thought it was good to be alive  
But I was wrong...

The dreams of yesterday faded away  
There is no more hope  
No more hope  
I just can't carry on this way...
