I don't care if you don't respect me. I don't care if you
don't like the
Sound of it. I'm not a building. Would you erect me? So
always lock the
Door and fool around.
I don't mind if you think I'm primitive. So don't go
looking for a reason
Why?
If I was rare would you collect me? Who cares? It's time
to multiply. 'Cos
I just wanna make babies with you. Alright? I just wanna
make babies, all
Night. I just wanna make babies, make babies. Babies,
babies, with you.
I don't think I'm chauvanistic, do you? Just as I am
bubbling with lust. I
Just wanna open up your curtains. And let the light in,
blow away the dust.

'Cos I just wanna make babies with you. Alright?
I don't mind if you wanna hold my hand. I don't mind if
you wanne neck
First. I don't mind if you want a pet first. And I don't
mind if you wanna
Cook me diner while I'm dining. But the outcome Â–
babies.
'Cos I just wanna make babies with you. Alright? I just
wanna make
Babies, all night. I just wanna make babies, make
babies. Babies, babies,
With you.
I don't mind if you cut me up in pieces. And serve me
up on a plate. I
Don't mind whatever you decide to do. I just want to
make... babies,
Babies, babies.
Last time that we did it I was shy. Oh yes, I was shy. But
this time, I'll
Make my aim better. I'll think I'll score this time.
'Cos I just wanna make babies with you. Alright? I just
wanna make babies,

All night. I just wanna make babies, make babies.
Babies, babies, with you.

I just wanna make babies with you. Alright? I just wanna
make babies, all

Night. I just wanna make babies, make babies. Babies,
babies, with you.

I just wanna make babies with you. Alright? I just wanna
make babies, all

Night. I just wanna make babies, make babies. Babies,
babies, with you.

I just wanna make babies with you. Alright? I just wanna
make babies, all

Night. I just wanna make babies, make babies. Babies,
babies, with you...
