White heat, grey stone
White heat, grey stone
White heat, grey stone
Wish you were here
White heat, sizzling
Thinking of Brazilia
White heat, sizzling
Thinking of Brazilia
White heat, grey stone
Thinking of Brazilia
White heat, hollow
Thinking of Brazilia
White heat, always
Wish you were here
Thinking of Brazilia
White heat, grey stone
White heat, grey stone
Lonely is Brazilia
White heat, hot, vast, crisp, empty
No more "Yariva, yariva"
Wish you were here
White heat, grey stone
Show me Brazilia
And I'll show you no Mardi Gras
In the glass Cantina
White heat, grey stone
White heat, grey stone
White heat, grey stone
Is anybody there
White heat, sizzling, sizzling, sizzling, sizzling
Is anybody there
Is anybody there
Hello
Is anybody there
Brazilia
Wish you were here
Is anybody there?
Big mistake, Brazilia
Brazilia. Open air museum. Wish you were here.
