Johnny's so in love
Johnny's so in love
Johnny's so in love with the boss's woman
Johnny is a square
Johnny isn't there
Johnny thought it was love but she was only slumming
He hangs around till she goes home
Just to see her face going by in the chrome
Cause she's a picture
Johnny she's a big dumb platinum
Smack her face and tell her Johnny
Hey girl, I'm sick of your lies
Going after your love is like following cats eyes
Johnny's shedding tears
Wet behind the ears
Johnny is as green as the grass that's growing
Johnny's getting bruised
Johnny's being used
Johnny's having fun without her husband knowing
Cause he stays at home to count the money he's made
While she goes chasing after rough trade
You're a picture, and it isn't funny
Now get down there and tell her Johnny
Hey girl, I'm sick of your lies
Going after your love is like following cats eyes
He said he knows what he's doing
But he's making a fool of himself

Here's a broken mirror Johnny
Take a good hard look at yourself
Be careful Johnny, with the promise you made
Or it will blow up in your face like a hand grenade
Let me tell you what it's all about
Tears are just emotional fall out
Johnny's so in love
Johnny's so in love with the boss's woman
Johnny is a square
Johnny isn't there
Johnny thought it was love but she was only slumming
She say goodbye
Bon voyage
You're just a grease monkey working at Joe's garage

And you're a picture and it isn't funny
So get down there and tell her Johnny
Hey girl, I'm sick of your lies
Going after your love is like following cats eyes
Following cats eyes
Following cats eyes
Following cats eyes
Following cats eyes
Following cats eyes
Following cats eyes
