A public face.....
A private eye.....
A patent shoe.....
A wider belt.....
A deeper sigh.....
A leaking pen.....
A shrunken head.....
An open file.....
A broken jaw.....
An alibi.....
A jumped up fee.....
A ceiling fan.....
Hear no evil
See no evil
Speak no evil
Hear no evil
See no evil
Speak no evil
A heinous crime
It wasn't meant to be
A body blow
On the table waiting
A paperweight

Crashing through the cigar smoke
The answer no
Now I can't remember
Hat check girl
Found necking with a Siamese twin
Dabs on glass
She should have burned the gloves she lost
An alien key
Turning
Walls have ears
Burning
A vital clue.....
A public face.....
A private eye.....
Hear no evil
See no evil
Speak no evil
Hear no evil

See no evil
Speak no evil
