Here come the golden boy. Eyes turn to follow. I find
his golden handshake,
Is hard to swallow. I know it gives you pins and needles.
I wish I gave you pins and needles, but I know if you
want to dance all
Night, you know if you play your cards right, you could
be the girl on the
Arms of the golden boy.
Golden boy. Golden boy. Golden boy.
Here comes the magic moment. One smile and you
surrender. But you're just a
Little child in the hands of the great pretender. I know
he gives you pins
And needles.
I wish I gave you pins and needles, but I know if you
want to dance all
Night, you know if you play your cards right, you could
be the girl on the
Arms of the golden boy.
Golden boy. Golden boy. Golden boy.
Remember the golden boy. Remember the golden boy.
You may remember the
Golden boy. But he'll never remember you.
Here come the boy in blue. There's golden luck charm. I
know that he's the
Son of the man with the golden arm. I know he gives
you pins and needles.
He gives you too many pins and needles. Where ever
he leads, I know you
Follow, but you may not live to see tomorrow, if you
were the girl on the
Arms of the golden boy.
Golden boy. Golden boy. Golden boy.

Remember that you're in charge.
Golden boy. Golden boy. Golden boy.
This is, he's not strong.
Golden boy. Golden boy. Golden boy. Remember what
you've
Been taught. Golden boy. Golden boy. Golden boy.
This is, he's not strong.

Golden boy. Golden boy. Golden boy.

Remember, remember, remember. Remember,
remember,
Remember. Be tender. Remember, remember,
remember. Be tender. The crazy
Pretender...
