Early warning  
Stranger on the radar  
Ripple in the wavelength  
Leave it in the hands of fate  
Nobody noticed the difference in the readout  
The sadness in the answer  
A twist in the logic  
P.E.R.S.O.N.A.L.I.T.Y.  
P.E.R.S.O.N.A.L.I.T.Y.  
Low-key discussions  
Rumble round the test-bed  
Egg-heads in a huddle  
A softening of the solid-state  
Static alphabet  
Rigid stabbing monotone  
There's positive or negative  
But no inbetween

Are you blind?  
Are you looking through a broken pair of eyes  
Are you ill-equipped to hear me?  
Random brainwave  
Groping for receivers  
Are you deaf?  
Are you one of the cogs  
Too busy probing the pleasure centres of dogs  
To get near me  
Nobody noticed  
The difference in the readout  
The sadness in the answer  
A twist in the logic
