Why oh why don't you come to pay. Bothering down the  
innerstate. Broke out  
Of the Zoo on the East side. Where the people  
committed rhinoside.  
It was an accident. He shot his mate, in the panic. When  
the child obied.  
Wandered into the rhinohouse to make friends.  
Now rhino, rhino. Two tones a pay. Two thousand,  
thousand marmar plates.  
Comes thundering to the park to take it's revanche on  
America.  
Rhino, rhino run for home. Run back to where the rhino  
roam. Put a  
Roadblock on the innerstate. In a hundred shotguns,  
lay and wait.  
Shot went out, it's running round. The hey, the bulluts  
cut him down. A  
Home, a boy, a baby 's crying. And on the tv screen the  
rhino is dying.  
Why oh why don't you come to pay. Bothering down the  
innerstate. Broke out  
Of the Zoo on the East side. Where the people  
committed rhinoside.  
People committed rhinoside. People committed  
rhinoside.
