Up here in space
I'm looking down on you
My lasers trace
Everything you do

You think you've private lives
Think nothing of the kind
There is no true escape
I'm watching all the time

I'm made of metal
My circuits gleam
I am perpetual
I keep the country clean

I'm elected electric spy
I'm protected electric eye

I'm elected electric spy
I'm elected protective, detective, Electric Eye!

Once she was wonderful
Once she was fine
Once she was beautiful
Once she was mine...she was mine

Changes, Changes...

Hell Bent For Leather!

Seek him here, seek him on the highway
Never knowing when he'll appear
All await, engine's ticking over
Hear the roar as they sense the fear

Wheels! A glint of steel and a flash of light!
Screams! From a streak of fire as he strikes!

Hell bent, hell bent for leather
Hell bent, hell bent for leather

There's many who tried to prove that they're faster
But they didn't last and they died as they tried

Hell bent, hell bent for leather
Hell bent, hell bent for leather
Hell bent, hell bent for leather
Hell bent, hell bent for leather
