For everything you do  
I'd like to swallow you  
And everyday I'm gonna blame you  
And even if you justify  
Every fucking bullshit lie  
It only makes me want to break you  
You pull me down  
And you crucify my name  
You make me insane  
It's broken now  
Don't ever look my way  
Don't even think I'm playin'  
'Cause I fucking hate you  
You're such a liar  
And I love to hate you  
You're all the same to me  
When you repeatedly  
Take advantage of me  
The only thought I get of you sickens me  
And everybody knows your fake  
You're everything I fucking hate  
And I'm everything that you could never be  
You pull me down  
And you crucify my name  
You make me insane  
It's broken now  
Don't ever look my way  
Don't even think I'm playin'  
'Cause I fucking hate you  
You're such a liar  
And I love to hate you  
You're all the same to me  
And I fucking hate you  
You're such a liar  
And I love to hate you  
You're all the same to me  
(Fuck you)  
(Fuck you)  
(Fuck you)  
You pull me down  
And you crucify my name

You make me insane  
It's broken now  
Don't ever look my way  
Don't even think I'm playin'  
'Cause I fucking hate you  
You're such a liar  
And I love to hate you  
You're all the same to me  
And I fucking hate you  
You're such a liar  
And I love to hate you  
You're all the same to me  
Fuck you (fuck you)  
Fuck you (fuck you)  
Fuck you (fuck you)  
Fuck you (fuck you)
