And I wonder, day to day.
I don't like you any way.
I don't need your shit today.
You're pathetic in your own way.

I feel for you.
Better fucking go away.
I will be
Hey!
Better fucking go away.

I'm doin' the best I ever did,
I'm doin' the best that I can.
I'm doin' the best I ever did!

I don't need to fantasize,
You are my pet all the time.
I don't mind if you go blind,
You get what you get, until you're through with mine!

I feel for you.
Better fucking go away.
I will be
Hey!
You better go away.

I feel for you.
Better fucking go away.
I will be
Hey!
You better go away.

I'm doin' the best I ever did,
I'm doin' the best that I can.
I'm doin' the best I ever did!
Now go away!

I'm doin' the best I ever did,
I'm doin' the best that I can.
I'm doin' the best I ever did!
Now go away!
