When the Sun is dancing  
Rolling over Hills of Noone  
Butterflies are lazy  
Madness is what I discover  
Distant sounds of strangeways  
It means the sunny days are over  
Someone knows of my name  
Universe of disorder

Curtain disappears  
Doomsday show is going down  
Something in my ears  
Music of my narrow home  
Twilight Sun is actor  
Really great eternal hero  
Happy end of this world  
The end of show is near

Broken hearts are bleeding  
They feel sorry for this story  
Noone can't stop heeding  
Hailing to the actor's glory  
Twilight Sun is dancing  
Rolling over Hills of Noone  
Warriors of wasteland  
Singing "world is over"

There is a home I live alone  
The storming waters in my pond  
Unbeaten tracks and endless roads  
Since the creation of the world  
And I don't pine for if I die  
And I don't pine for if I lie  
No way to see the crown of skies  
Because that fire in my eyes

And I don't pine for  
If I go insane  
And I don't pine for  
If I were afraid  
And I don't pine for  
If you say hello

I'm only dreaming  
I shouldn't care at all
