So what if I never wanna be sober?  
So what if I wanna be numb all the time?  
I can't justify why I'd wanna go slower  
Taking my time just ain't my style, yeah

I walk dead or alive  
I waste my time whenever I like  
I'm feelin ok with my whiskey hangover

So what you cleaned your act up so far  
So what if I'm pissing into the wind (again)?  
Have you ever thought that I'm not who you are? (baby)  
Cuz even when I lose I know how to win again and again  
So sick of you preaching all the time  
Just keep your shitty advice inside

Cuz I walk dead or alive  
I waste my time whenever I like  
I'm feelin ok with my whiskey hangover  
Oh yeah yeah  
Cuz I walk dead or alive  
I waste my time whenever I like  
I'm feelin ok with my whiskey hangover  
Oh yeah  
Oh yeah!  
Lets go!

One sip ain't gunna do shit  
On the 2nd sip I begin to admit  
That the 3rd one down is what makes me feel alright  
And number 4 I slam down to the floor  
By 5 I'm ready to fight all night  
An then 6, 7, 8 to make me break your face sometimes

Cuz I walk dead or alive  
I waste my time whenever I like  
I'm feelin ok with my whiskey hangover  
Oh yeah yeah  
Cuz I walk dead or alive  
I waste my time whenever I like  
I'm feelin ok with my whiskey hangover

With my whiskey hangover  
With my whiskey hangover  
With my whiskey hangover  
With my whiskey hangover  
Yeah yeah yeah yeah yeah yeah yeah...
