

## Godsend "Spiritual Loneliness"

Visit "[Spiritual Loneliness](#)" on MotoLyrics.com

I see them everywhere  
Around me  
Talking and laughing  
Around me

Ignoring me like I was nothing  
Like I was of pure air  
They do not sense  
My spiritual loneliness

I see them looking  
Around me  
Not seeing loneliness  
Around me

Treating me like I was nothing

Like I was their plaything  
They do not sense  
My spiritual loneliness

Alone in this I am  
Feeling what nobody feels  
The spiritual depression  
Pulling me down  
Alone in this I am  
Living in my world  
Released is my soul  
As light flickers
