

Godsmack "Bad Magick"

Visit "[Bad Magick](#)" on MotoLyrics.com

Does it feels so bad when you're taking a drag and
when you're looking at the world through tired eyes
When you stare at it dead and you're giving it head
and all those things you say you love never come alive
Oh yeah

If it feels so bad - bad magic playin' off of me
Feels so bad - oh no, I don't wanna be your friend
Feels so bad - bad magic layin' into me
Feels so bad - oh no, I don't wanna hear it again

When you get so high that you wanting to die, but
everything around you's turning green
When you gettin' so low and I know you've been feeling
like a dried-out leaf in a summer breeze
I don't like it

If it feels so bad - bad magic playin' off of me
Feels so bad - oh no, I don't wanna be your friend
Feels so bad - bad magic layin' into me
Feels so bad - oh no, I don't wanna hear it again

Gettin' back, back on track, get off of my back
Gettin' back, back on track, get off of my back
Yeah

Gettin' back, back on track, get off of my back
Gettin' back, back on track, get off of my back
Yeah

Gettin' back, back on track, get off of my back
Gettin' back, back on track, get off of my back
Yeah

Gettin' back, back on track, get off of my back
Gettin' back, back on track, get off of my back
Yeah yeah

Gettin' back, back on track, get off of my back
Gettin' back, back on track, get off of my back
Yeah

Gettin' back, back on track, get off of my back
Gettin' back, back on track, get off of my back, bitch
Yeah

Back back, back on track, get off of my back
Gettin' back, back on track, get off of my back

Yeah
Gettin' back, back on track, get off of my back

If it feels so bad - bad magic playin' off of me
Feels so bad - oh no, I don't wanna be your friend
Feels so bad - bad magic layin' into me
Feels so bad - oh no, I don't wanna hear it again
Gettin' back, back on track, get off of my back

Yeah
Gettin' back, back on track, get off of my back
Gettin' back, back on track, get off of my back
Yeah
Gettin' back, back on track, get off of my back
Gettin' back, back on track
