I am your spoken truth
I am the lies in you
I'm gonna make you shine in everything you do
I am your lighted way
And I'm your darkest day
I'm here to help you see you can rely on me

Just consider me your friend
I am until the end
Can I guarantee you life?
I don't think I can

This isn't the life for me
This isn't the way I want to be
And let me tell you
Death will come when I'm good and ready

I am your peace of mind
Confusing all your time
I'm running through your veins, I am your pain
I thought by now you'd know
I'll never let you go
It's time you recognize I am the devil's eyes

Just consider me your friend
I am until the end
Can I guarantee you life?

I don't think I can

This isn't the life for me
This isn't the way I want to be
And let me tell you
Death will come when I'm good and ready

This isn't the life for me
This isn't the way I want to be
And let me tell you
Death will come when I'm good and ready

Take me by my hand
And let me show you what I am

I'm taking control again
Now I know I can
Take you back to where it all began
'Cause I am

This isn't the life for me
This isn't the way I want to be
And let me tell you
Death will come when I'm good and ready

This isn't the life for me
This isn't the way I want to be
And let me tell you
Death will come when I'm good and ready
