For everything you do, I'd like to swallow you  
And everyday I'm gonna blame you  
And even if you justify every fuckin bullshit lie  
It only makes me want to break you

You pull me down, and you crucify my name, you make  
me insane  
It's broken now, don't ever look my way, don't even  
think I'm playin  
Cause I fuckin hate you, you're such a liar  
I love to hate you, you're all the same to me

When you repeatedly take advantage of me  
The only thought i get of you, sickens me  
Everybody knows you're fake, you're everything I  
fuckin hate  
And I'm everything that you could never be

You pull me down, and you crucify my name, you make  
me insane  
It's broken now, don't ever look my way, don't even  
think I'm playin  
Cause I fuckin hate you, you're such a liar  
I love to hate you, you're all the same to me (X2)

Fuck you (X4)

You pull me down, and you crucify my name, you make  
me insane  
It's broken now, don't ever look my way, don't even  
think I'm playin  
Cause I fuckin hate you, you're such a liar  
I love to hate you, you're all the same to me (x2)

Fuck you (x4)
