Sickness spilling through your eyes
Craving everything you thought was alive, yeah
Stab me in heart again, ah yeah
Drag me through your wasted life, are you forever
dead?

Do like I told you
Stay away from me
Never misunderstand me
Keep away from me

Twistin' everything around that you say, yeah!
Smack me in my mouth 200 times every other day
Rag me, I don't hear you anymore, not yet
Find out what it means to me, I don't know who you are

Do like I told you
Stay away from me
Never misunderstand me
Keep away from me

Do like I told you
Stay away from me
Never misunderstand me

Yeah!

Yeah! Yeah! Yeah! Yeah! Yeah! Oh!

Draggin' on so lonely, aren't you tired baby? Yeah!
Breathing life into your lungs are you immune to me?
Immune to me
Immune to me
Immune to me
Maybe yeah yeah yeah!

Do like I told you
Stay away from me
Never misunderstand me
Keep away from me

Do like I told you

Stay away from me
Never misunderstand me

Ahhh. Yeah!
Keep away from me
Oh yeah!
Never misunderstand me
Never misunderstand me
Never misunderstand me
Ahhh. Yeah

Yeah! [4x]
