Once again my friend
Storm clouds are rolling in
Broken inside myself
Can't seem to break this trend, Can't break it!

And I've seen it all
And I've walked it tall
Lived in this sin
Where do I begin?

Caught between my lies
My life for worthless lies
Shedding my skin to begin
A life that I don't know how to live in
I can't take it!

And I've seen it all
And I've walked it tall
Lived in this sin
Where do I begin?

I don't know now
Where to go now
I don't know if I'll ever get ahead.....no
It's all broken
Not a word spoken
And I don't know how to go out...God help me now

Yeah, yeah, yeah, yeah

And I've seen it all
And I've walked it tall
Lived in this sin
Livin' in sin
Livin' in sin
Livin' in sin
Livin' in sin
Where do I begin?
