Once again my friend  
Storm clouds are rolling  
Broken inside myself  
Can't seem to break this chain  
Can't break it!

And I've seen it all  
And I've walked it tall  
Lived in this sin  
Where do I begin?

Caught between the lines  
My life of worthless lies  
Shedding my skin to begin  
A life that I don't know how to live  
I can't take it!

And I've seen it all  
And I've walked it tall  
Lived in this sin

Where do I begin?

I don't know now  
Where to go now  
I don't know if I'll ever again... no  
It's all broken  
Not a word spoken  
And I don't know how to go, how to.. god help me now!

Yeah, yeah, yeah, yeah

And I've seen it all  
And I've walked it tall  
Lived in this sin  
Livin' in sin  
Livin' in sin  
Livin' in sin  
Livin' in sin  
Where do I begin?
