Once again my friend
The storms clouds are rolling in
Broken inside myself
cant seem to break this trend
Cant break it

and ive seen it all
and ive walked it tall
left in this sin, where do i begin

caught between the light
my life of worthless lies
shedding my skin to be begin a life that i dont know
how to live in
i cant take it

and i seen it all
and ive walked it tall
left in this sin, where do i begin

i dont know know now
where to go now

i dont know if ill ever give in, no
its all broken
not a word spoken
and i dont know how to go out, God help me now

and ive seen it all
and ive walked it tall
left in this sin

livin in sin
livin in sin
livin in sin
livin in sin

where do i begin
