Oh, Mama, what have I gone and done?  
With all these years that I've been gone  
My life changed me, way too fast  
I don't know, if I could last

Help me, find my way  
And Mama save me  
Help me find today  
Mama, please come and save me, oh

Oh, Mama, if you could've only seen  
Everything I've done and where I've been  
If only one thing, I would ask  
Why did you let me grow up so god-damn fast?

Help me find my way  
And Mama save me  
Help me find today  
Mama, please come and save me, oh

There's nothing more that you can do  
It's gone beyond what you can help me through  
An emptiness has covered me  
Oh, Mama, come and save me

Help me find my way  
And Mama save me  
Help me find today  
Mama, please come and save me, oh

Help me find my way  
And Mama save me  
Help me find today  
Mama, please come and save me, oh

There's nothing more that you can do  
It's gone beyond what you can help me through  
An emptiness has covered me  
Oh, Mama, come and save me

Oh, Mama come and save me  
Oh, save me, no

Oh, please Mama save me
