Come on come on!!! (Wayne Wonder, LL, Queen Dutchess, official remix) uh! uh!

[Verse 1: LL Cool J] + (Wayne Wonder)

I remember when I had that little shorty uptown  
In the drop we would never stop runnin around  
She would lay up in the condo I was a clown  
Everytime the phone rang I ignored the sound (Whoa ooh whoa ooh whoa!!!)

You would cry up on the doorstep stomp and pound  
Throwin up hysterical you fell on the ground  
I chose lust over love, as foul as it sounds  
But that was then and this is now (LL: Uh huh uh huh)

[Wayne Wonder] + (LL Cool J)

Got somebody (Remix baby) she is a beauty (LL baby)  
Very special (Dutchess baby) really and truly (Wayne Wonder baby)

Takes good care of me, like it's her duty  
(Bust the dance now, higher level now, higher level now, give me the dance now)

Want you right by my side (Online now, online now) night and day

(Give me the dance now, bust the dance now)

[Chorus: Wayne Wonder] + (LL Cool J)

No letting go no holding back  
(Pon the river now, pon the river now, give me the dance now, bust the dance now)  
(In the club now, in the club now) Because you are my lady

(Higher level now, higher level now)  
(Pon the river now, pon the river now) When I'm with you it's all of that

[Verse 2: Queen Dutchess]  
I knew this was more than a crush (Crush) more than a  
bust  
It had to be much more in storage for us (Us)  
And we got a sea coast gettin live on the speed boat  
It's like the sea go wherever we go (We go)  
We made it now and I'm just glad to be able to let all  
the fables drown  
So you can have more than a piece of my love  
And I'm a always great you with more than a hug (LL  
Cool J: That's right)

[Bridge: Wayne Wonder] + (LL Cool J)  
Really appreciate you lovin me (Appreciate you baby,  
word up)

Really appreciate you lovin me (Your by my side the  
whole time baby)  
All time, tiiiiime!!! (Let me finish the story for you check  
it)

[Verse 3: LL Cool J]  
She caught me in the crib with her I was a fool  
That's a major violation baby that wasn't cool  
Beyond my manly pride deep down I knew  
I was born to spend my life with you cause you were  
true (True)  
So I held you in my arms real tight (Uh)  
Made a valent guard that I would treat you right  
I realize now it ain't all about ice  
You want a good man in your life (I understand baby)

[Chorus: Wayne Wonder] + (LL Cool J)  
No letting go no holding back (I understand ma!!!)  
because you are my lady  
(Remix baby!!! remix baby!!! come on come on!!!)
