There's no reason  
There's no compromise  
Changing seasons  
Living the high life  
I don't know you  
So don't freak on me  
I can't control you  
You're not my destiny

Straight out of line  
I can't find a reason  
Why I should justify my ways  
Straight out of line  
I don't need a reason  
You don't need to lie to me

I'll confess this  
You're my tragedy  
I paid you to rest just  
As fast as you turned on me  
Gone forever  
Banish the memories  
Displays of pleasure  
Are masked by your misery

Straight out of line  
I can't find a reason  
Why I should justify my ways  
Straight out of line  
I don't need a reason  
You don't need to lie to me  
Lie to me

Straight out of line  
I can't find a reason  
Why I should justify my ways  
Straight out of line  
I don't need a reason  
You don't need to  
You don't need to lie to me  
Lie to me

Lie to me  
Lie to me
