What do you see in the dark
when the demons come for you

If only you could have seen
how fucked up my life used to be
then everything starts to change
supposedly healing my pain
I never thought I'd feel this way
I never thought that I'd see a day
I'd run away from anything or anywhere or anyone
Its all these demons haunting me
Its all these little things trapped inside of me
Releasing me from all my sin
Its taken me all of my anger
And taken me all of my hate
To learn how my life came together
Releasing the demons again

And now I look through my minds eye
And see where my past needs to rest
Its always disturbed by these voices
That echo inside of my head
Another way that I can hide
Another reason to crawl inside and get away
from everything and everywhere and everyone
NO!
Its all these demons haunting me
Its all these little things trapped inside of me

Releasing me from all my sin

Its taken me all of my anger
And taken me all of my hate
To learn how my life came together
Releasing the demons.....again

Facin the days as I grow into my own
Loving and hatings the same
And three-fold I told you
it comes back with laughter
Over and over again
Its coming back

Its taken me all of my anger
And taken me all of my hate
To learn how my life came together

Releasing...
Releasing the demons again(4x)
Releasing the demons...
