Anywhere I go, anything I try
Anyone I love is compromised
Everyone I see, staring on back at me
Why can't you let me be?

Ohh, so far from home
Being shallow and alone
And why can't you see
It's tearing away what I used to be?
I'm a shadow of a soul

I don't know how to run
I don't know where to hide
The old me is dead and gone inside
What will you think of me
When all that you'll ever see
Is only a part of the other me?

Ohh, I'm so far from home
Being shallow and alone
And why can't you see
It's tearing away what I used to be?
I'm a shadow of a soul

Ohh, I'm so far from home
Being shallow and alone
And why can't you see
It's tearing away what I used to be?
I'm a shadow of a soul

You can tear away the layers on the outside
But what lies underneath you'll never find
Too many people take it up on my faith
Too many faces pressing up against my face

Ohh, I'm so far from home
Being shallow and alone
And why can't you see
It's tearing away what I used to be?
I'm a shadow of a soul

Ohh, I'm so far from home

Being shallow and alone
And why can't you see
It's tearing away what I used to be?
I'm a shadow of a soul

Ohh, I'm so far from home
I'm a shadow of a soul
Ohh, I'm so far from home
I'm a shadow of a soul

Ohh, I'm so far from home
I'm a shadow of a soul
Ohh, I'm so far from home
I'm a shadow of a soul, ooh
