Yea

Paralyzed, nothing's getting through to me
Hypnotized from all my surroundings
I wanna be something I could never be
I wanna say things that I could never say

Yea

I'm gonna do it again
I'm gonna do it again
I'm gonna do it again

Sick of my life
I'm tired of everything in my life

Dragged down, rubbing my face in the ground
No time for the undecided
I wanna know why I've always felt alone
And I wanna love, why am I untouchable?

Yea

I'm gonna do it again
I'm gonna do it again
I'm gonna do it again

Sick of my life
I'm tired of everything in my life
I never wanted to be sick of my life
I'm tired of everything in my life

Ooh, yea

Sick of my life
I'm tired of everything in my life
I never wanted to be sick of my life
I'm tired of everything in my life
