Sometimes we only live for the here and now  
Sometimes we're lonely  
Sometimes we feel we need a place to be grounded  
Or I will fly away again

I will fly away again  
Oh, I will fly away again

Why are we feeling something familiar around us  
Are we just dreaming?  
Always we search for the answers but nothing is  
found  
We'll fly away again

I will fly away again  
Oh, I will fly away again

I feel the rain pouring down  
I wait to rot away  
Live again  
Here forever  
The spiral never ends  
Rot away  
Live again  
Here for ever  
The spiral never ends

I feel the rain pouring down  
I wait to rot away  
Live again  
Here for ever  
The spiral never ends

Rot away  
Live again  
Here forever  
The spiral never ends

It never ends

I will fly away

Oh, I will fly away again

I will fly away again

Oh I will fly away again
