Sometimes we only live for the here and now  
Sometimes we're lonely  
Sometimes we feel we need a place to be grounded  
Or fly away again

I will fly away again  
Oh, I will fly away again

I feel rain pourin' down  
I wait to rot  
Rot away  
Live again  
Here forever  
The spiral never ends  
Never ends

Why are we feeling something's familiar around us?  
Are we just dreaming?  
Always we search for the answers but nothing is found  
We'll fly away again

I will fly away again  
Oh, I will fly away again

I feel rain pourin' down  
I wait to rot  
Rot away  
Live again  
Here forever  
The spiral never ends

Rot away  
Live again  
Here forever  
The spiral never ends

Aah, aah aa aa, aah aa aa, aah aa aa  
Aah aa aa, aah aa aa, aah aa aa

I feel rain pourin' down  
I wait to rot  
Rot away

Live again  
Here forever  
The spiral never ends

Rot away  
Live again  
Here forever  
The spiral never ends  
Ends

I will fly away again  
Oh, I will fly away again  
Oh, I will fly away again  
Oh, I will fly away again
