love hate sex pain paroles
In this life I'm me,
Just sitting here alone
and by the way I tried to say I'd be there
For you
Walk beside an emptiness
That leads me by my hands
And throw away
What I don't understand, as a man
Love-Hate-Sex-Pain
It's complicating me sometimes
This love-Hate-Sex-Pain
Is underestimating life
And I wonder as I tear away my skin
It's taken me so long to stitch
These wounds from where I've been
And mother please don't bury me
I'm hanging for my life
It's hard to say that I would be complete
Before I die
Love-Hate-Sex-Pain
It's complicating me sometimes
This love-Hate-Sex-Pain
Is underestimating life
Don't you worry please
Don't you leave me
Because I slowly slip away
Through love, hate, sex, and pain
I fall away into
Love, hate sex, and pain
Love-Hate-Sex-Pain
It's complicating me sometimes
This love-Hate-Sex-Pain
Is underestimating life
Love-Hate-Sex-Pain
It's complicating me sometimes
This love-Hate-Sex-Pain
Is underestimating life
