Where can I go?
What can I do?
To keep this lie
And wait for you

Just like in the movies when the hero dies
Maybe you can rewind it and change their lies
You've got me in a vice grips squeezin' my soul
Takin' out all the things that make me whole
Your vice grips got ahold on me
So crush me now, or leave me be

I want to know
If i can be free again
If I can't be myself,
How can I be my friend?

Just like in the movies when the hero dies
Maybe you could rewind it and change their lies
You've got me in a vice grips, squeezin' my soul
Takin' out all the things that make me whole
Your vice grips got ahold on me
So crush me now or leave me be

You've got me in a vice grips, squeezin' my soul
Takin' out all the things that make me whole
Your vice grips got ahold on me
So crush me now...
