So what if I never wanna be sober?
So what if I wanna be numb all the time, yeah?
I can't justify why I'd wanna go slower
Takin' my time just ain't my style, yeah

I'll walk dead or alive
I'll waste my time whenever I like
I'm feeling okay with my whiskey hangover

So what if you cleaned your act up so far?
So what if I'm pissing into the wind again?
Have you ever thought that I'm not who you are baby?
'Cause even when I lose I know how to win again and
again and again

So sick of you preaching all the time
Just keep your shitty advice inside

'Cause I'll walk dead or alive
I'll waste my time whenever I like
I'm feeling okay with my whiskey hangover, oh yeah,
yeah

'Cause I'll walk dead or alive
I'll waste my time whenever I like
I'm feeling okay with my whiskey hangover, oh yeah

Oh yeah, let's go

One sip ain't gonna do shit
On the second sip I begin to admit
That the third one down is what makes me feel alright,
yeah

And number four I slam down to the floor
By five I'm ready to fight all night
And then six, seven, eight to make me break your face
sometimes

'Cause I'll walk dead or alive
I'll waste my time whenever I like
I'm feeling okay with my whiskey hangover, oh yeah,

yeah

'Cause I'll walk dead or alive
I'll waste my time whenever I like
I'm feeling okay with my whiskey hangover

With my whiskey hangover
With my whiskey hangover
With my whiskey hangover
With my whiskey hangover
Yeah, yeah, yeah, yeah, yeah
