How in my head can I forget you make me suffer,
Yeah!
Trying to see how far you'll push me underground
Back into the rhythm fast trippin me when your in my
world, Yeah!
Everything you say I find a way to bring you down!

WHY!?

Another way for you to fake your way through your life,
Yeah!
Remember everything you do will come around
Never Am I going back to think I'm on crack and you
might like it, Yeah!

Will you ever fade away baby? Why don't you just get
out of my life!

WHY!?

I think of you sometimes but I never believe in you
again!
I think of you sometimes but I never believe in you
again!
I think of you sometimes but I never believe in you
again!
I think of you sometimes but I never believe in you
again!

And I'll never look back!

WHY!?
