When I find myself watching the time  
I never think about  
All the funny things you said  
I feel like it's dead  
Where is it leading me now?

I turn around in the still of the room  
Knowing this is when  
I'm gonna make my move  
Can't wait any longer  
And I'm feeling stronger but, oh

Just as I walk through the door  
I can feel your emotion  
It's pulling me back  
Back to love you

I know, caught up in the middle  
I cry just a little  
When I think of letting go  
Oh no, gave up on the riddle  
I cry just a little  
When he plays piano in the dark

He holds me close like a thief of the heart  
He plays a melody  
Born to tear me all apart  
The silence is broken  
And no words are spoken but oh

Just as I walk through the door  
I can feel your emotion  
It's pulling me back  
Back to love you

I know, caught up in the middle  
I cry just a little  
When I think of letting go  
Oh, no, gave up on the riddle  
I cry just a little  
When he plays piano in the dark  
In the dark

Oh, the silence is broken  
And no words are spoken but, oh

Just as I walk through the door  
I can feel your emotion  
Oh baby, pulling me back  
Back to love you

I know, I'm caught up in the middle  
I cry just a little  
When I think of letting go  
Oh no, gave up on the riddle  
I cry just a little, I cry, I cry

I know, I'm caught up in the middle  
I cry just a little  
When I think of letting go  
Oh no, gave up on the riddle  
I cry just a little  
When he plays piano in the dark  
In the dark

I can't let go, no, no, no, no, no  
I can't let go, no, no  
Can't let go, no, no, no, no
