You're in love
You're in love
You're too shy to confess

You're in love
You're in love
You must try to confess

He's everything you adore
The one love you dreamed of
And waited for

Take a chance
Take a chance
Tell him now that you care

Don't refuse
Win or lose
You must make him aware

You're in love
You're in love
Can't you see?
You're in love
Cries my heart, to me

[BRIDGE]

Take a chance
Take a chance
Tell him now that you care

Don't refuse
Win or lose
You must make him aware

You're in love
You're in love
Can't you see?
You're in love
Cries my heart, to me
