Muro ilo dukxala ma
For they could never never measure
Oj, Romen, so te kerav
Po shveto me parno prodzhava
Muro ilo dukxala ma
And I will never hasavava
Aj yeah, so te kerav
The silver plane now will be landing
Only one day, only one time
Call your best friend let's take him with us
Ox, so te kerav
Aj so keres tu baro foro
Aj baro foro (jo?) roma
Po shveto me parno prodzhava
Ilo muro dukxala ma
Aj pasho mange (mande?) da romengro
Aj muro ilo na (??)
Po shveto me parno prodzhava
Muro ilo dukxala ma
Call your best friend let's take him with us
Pashe dale te na cheja
The silver plane now will be leaving
Onto new space, onto new time
Po shveto me parno prodzhava
Muro ilo dukxala ma
For they could never never measure
So te kerav
Aj so keres tu baro foro
Bax, sastype, chevora
Our silver plane now will be leaving
Onto new space onto new time
