The situation is no-win,
Anyhow, I'm gonna win,
[Ukrainian].
I am shot right through the woods,
Not through under-table goods,
But through these very golden gates man.
Never listen what they say,
Never had a back-up plan,
[Ukrainian], Huliganjetta!

situation is no-win,
But somehow, I'm gonna win,
Oooh! Huliganjetta!

[Ukrainian]
Huliganjetta!
[Ukrainian]
Huliganjetta!
[Ukrainian]

Listen! What speaks to you?
Listen! You know it's true!
Listen! When I was little kid,
Listen! Of course I did.

Situation is no-win,
How the hell am going to win?!
[Ukrainian] Huliganjetta!
Now I see you come you've aged,
Public wisdom is the rage,
[Ukrainian].
Never had a back-up plan,
Had I only magic spell,
[inaudible].

Huliganjetta!

We wish somebody would just tell us how it is,
And when somebody dies, oh we just get pissed.
We wish somebody would just tell us how it is,
And when somebody dies, oh we just get pissed.
[inaudible]

While the question is developing bigger than it is.

Huliganjetta!

[inaudible]

And I will be on my way,

[Ukrainian]

And once I am overboard,

I will send you pretty postcard,

With three heartfelt kisses.

Don't let 'em school you!

Please don't let 'em change you!

And never, never listen to what they say!

Huliganjetta!

Listen! What speaks to you?

Listen! You know it's true!

Listen! When I was little kid,

Listen! Of course I did.

Listen! (Listen!) What speaks to you?

Listen! (Listen!) You know it's true!

Listen! (Listen!) When you were little kid,

Listen! (Listen!) Of course you did.

Huliganjetta!
