

Gogol Bordello "Last One Goes The Hope"

Visit "[Last One Goes The Hope](#)" on MotoLyrics.com

Unvisible barbed wire all along
Around the neck of my song
He Romale, I'm beat up but going strong

Unstoppable fire of my tongue
And the path ahead that's long
Will get me at the end where I belong

'Cause I've seen ship of fools
Sinking in the dunes
As I dragged my coffin on the rope

Them all look down at me
But I got all the help I need
'Cause the last one, last one goes the hope
Last one, last one goes the hope

Unseizable diamond from my sling
Still is searching for its ring
In a city of ruins where no one sings

But zombies and willful slaves
Living in their tiny private caves
Crooked hands digging up the graves

Yeah, I've seen ship of fools
Sinking in the dunes
As I dragged my coffin on the rope

Them all look down at me
But I got all the help I need
'Cause the last one, last one goes the hope
Last one, last one goes the hope

Te-de-de, de-de-de-de
Te-de-de-de-de-de
Te-de-de-de-de-de-de-de-de-de-de-de-de-de-de
Te-de-de, de-de-de-de
Te-de-de-de-de-de

Last one, last one goes the hope
Last one, last one goes the hope

He romale, no passarÃin
Hey chavale, non rien de rien
You see the thunderbird already starts to spin

He romale, no passarÃin
He chavale, non rien de rien
Hey, venceremos, vse ravno my pobedim

'Cause I've seen ship of fools
Sinking in the dunes
As I dragged my coffin on the rope

Them all look down at me
But I got all the help I need
'Cause the last one, last one goes the hope

Oh, ho, last one, last one goes the hope
Oh, ho, last one, last one goes the hope
Oh, ho, last one, last one goes the hope

Te-de-de, de-de-de-de
Te-de-de-de-de-de
Te-de-de-de-de-de-de-de-de-de-de-de

Te-de-de, de-de-de-de
Te-de-de-de-de-de
Te-de-de-de-de-de-de-de-de-de

Aye-aye-aye, aye-aye-aye
Aye-aye-aye-aye-aye
Aye-aye-aye-aye-aye-aye-aye, da-da-da-da
Aye-aye-aye, aye-aye-aye
Aye-aye-aye-aye-aye

Last one, last one goes the hope
(Ai, goes the hope)
Last one, last one goes the hope
Last one, last one goes the hope
(Ai, goes the hope)
Last one, last one goes the hope
