Sometimes when facing common trouble  
When whole town is screwed  
We become actually human  
Act like Prometheus would

Suddenly there is more humor  
And a party Tabor style  
People ringing one another  
"Yo man, how was your blackout?"

Suddenly there is more music  
Made with the buckets in the park  
Girls are dancing with the flashlights  
I got only one guitar

And you see brothers and sisters  
All engaged in sport of help  
Making merry out of nothing  
Like in refugee camp

Oh yeah, oh no, it doesn't have to be so  
It is possible anytime, anywhere  
Even without any dough  
Oh yeah, oh no, it doesn't have to be so  
The forces of the creative mind, unstoppable

And you think, alright, now people  
They have finally woked up  
But as soon as trouble over  
Watch them take another nap

No, nobody is making merry  
Only trotting scared of boss  
Everybody's making hurry  
For some old forgotten cause

But one thing is surely eternal  
It's condition of a man  
Who don't know where he is going  
Who don't know where does he stand

Who's dream power is a bottle

Put away in dry dark place  
Who's youth power is well buried  
Under propaganda waves

Who's dream life is in opposition  
To the life during the day  
Who's beaten down in believing  
It just kinda goes this way

Oh yeah, oh no, it doesn't have to be so  
It is possible anytime, anywhere  
Even without any dough  
Oh yeah, oh no, it doesn't have to be so  
The forces of the creative mind, unstoppable

Oh yeah, oh no, it doesn't have to be so  
It is possible anytime, anywhere  
Even without any dough  
Oh yeah, oh no, it doesn't have to be so  
Forces of the creative mind, unstoppable
