Revolution is internal
Help yourself at any time
Evolution isn't over
No no no no, no no no no
We are about to use our mind
Yeah

Yeah to learn the language
Poets and rebels craved
To take off the tower
That taught them of the braved

Revolution is internal
Evolution isn't over, isn't over
I'm walking in the balance
I'm ready, ready to uncover

Evolution is preparing
All of us maximum surprise
So rise, whoa, the knowledge
Rise the knowledge rise
Rise the knowledge rise

Purification fire's coming
Full stretch
The battle is a panic
Yeahahahah, hahahah hey!

Mystical knowledge is arising
And it's a pleasure to foresee
How the spirit wants the loving
Yeah-a hahahah hey!
And that's new currency
And that's new currency

Revolution is internal
Evolution is preparing us surprise
So rise, whoa, the knowledge
Rise the knowledge rise
Rise the knowledge rise

Purification fire

Purification fire
Purification fire
Purification fire

Mother want to purify us
For you know it's true
Once the oil is over
They'll be fighting over you
Father fire purify us
For you know it's true
Those without the knowledge
They will never make it through

Revolution is internal
Evolution isn't over, isn't over
I'm walking in the balance
I'm ready, ready to uncover

Evolution is preparing
All of us maximum surprise
So rise, whoa, the knowledge
Rise the knowledge rise
Rise the knowledge rise

Purification fire
Purification fire
Purification fire
Purification fire

(Purification fire is coming...)
