Rebellious love  
Is begging door to door  
But finds the silence  
Like no one lives there anymore  
Rebellious love  
This day ain't got no place  
And is running out of town  
In shame covering it's face

Love is running back to God  
God is running after man  
Men all run to the unknown  
From unknown love comes again  
Capture, capture  
Will they ever capture  
One another?  
Will the cowards ever get to capture us?

Rebellious love  
Your destiny's arranged  
Your days are numbered  
And soon you will be caged  
But rebellious love  
I'm comin' after you  
'Cause without you  
There's nothing for me here to do

Love is running back to God  
God is running after man  
Men all run to the unknown  
From unknown love comes again  
Capture, capture  
Will they ever capture  
One another?  
Will the cowards ever get to capture us?

Capture, capture  
Will they ever capture  
One another?  
Will the cowards ever get to capture us?  
Will the cowards ever get to capture us?  
Will the cowards ever get to capture us?

Will the cowards ever get to capture us?  
Capture, capture  
Will they ever capture  
Will the cowards ever get to capture us?  
Capture, capture  
Capture, capture  
Capture, capture  
Capture, capture
