MADAGASCAR-ROUMANIA (TU JESTY FATA)

So now you tell me we're living in a country
Where joys and freedoms they can not be tried
But alone in your mind there are so many rooms
That you never seem to find

There is a room where your toolbox is waiting
But you just never go when you are awake
When most of the time whatever that you look for
You could have just sit down and make

So do 'the right thing'
Just do 'the right thing'
How can you do it while you are awake?
Instead I scratch my forehead like Aladdin his lamp

Cause even in Madagascar
We'll find some shack below radar
Put two turntables and a film projector in that room
And punk rock 'n' roll most faithfully
It will occure-cure-cure-cure-cure-cure
It will occure-cure-cure-cure
Tica tica tica galiga

Instead you run to your litle birdfeeder
And stick your beak in the seeds your masters laid
Where did they came from? Who put them in there?
Oh, you will never know their name

There is a room where bustle merry
And big ceremony could be going on
Where your true talents along with birthrights
Could be dancing can-can

So do 'the right thing'
Just do 'the right thing'
How can you do it if you are awake?
Instead I scratch my forehead like Aladdin his lamp

Cause even in Madagascar

We'll find some shack below radar
And even in Antarctica
And even in Azerbaijan
Put two turntables and a film projector in that room
And punk rock 'n' roll most faithfully
It will occure-cure-cure-cure-cure-cure
It will occure...
...and sowing machine, too

Tu esti fata care n-are
n-are, n-are suflet tare
care n-are suflet tare

Haide fata tu afara
Sa te vada toti tiganii
Haide fata tu afara

Hai Doamne ce-i cu fire
Nu-ti gasesc ce e cu mine
Hai of Doamne ce-i cu fire

Hai Doamne ce-i cu fire
Nu-ti gasesc ce e cu mine
Hai of Doamne ce-i cu fire

Tu esti fata fata buna
care cu mine se joaca
care cu mine se joaca

Haide fata tu afara
sa te vada toti tiganii
Haide fata tu afara

Hai Doamne ce-i cu fire
Nu-ti gasesc ce e cu mine
Hai of Doamne ce-i cu fire

Hai Doamne ce-i cu fire
Nu-ti gasesc ce e cu mine
Hai of Doamne ce-i cu fire

To li ved'my, to li cygane
A my ne huja ne znaem
Aajo ne huja ne znaem
