When death comes I won't be there
In fact I will not be found anywhere
Not in Nevada, not in Sahara
On Chomolungma or Guadalajara
Cause I'll be climbing top of Never-Neverest
With my contaminated friends

Gah!

Hey hey hey, hali hali ho, hali hali hey Hey hey hey hey, hali hali ho, hali hali hey Hey hey hey hey, hali hali ho, hali hali hey Hey hey hey hey, hali hali ho, hali hali yah!

̸à ïÃðÃëëëåëÿÃμðìåðåäðà Ã-Ãõ

Again I am, waho, Vasco da Gama In my headphones is Bob Marley and a-Joe Strummer I'm on a quest for solar amalgama I'm on a quest for Never-Neverest With my contaminated friends

Hey hey hey, hali hali ho, hali hali hey Hey hey hey hey, hali hali ho, hali hali hey Hey hey hey hey, hali hali ho, hali hali hey Hey hey hey hey, hali hali ho, hali hali yah!

Old school, they were just nomadic forces Kill all the men, steal all the women and the horses Then later on, moved on to the pursuit of spices And finally the rest of all devices

But in the wake of the Trans-continental hustle Government cloak it went up in flames And by the time we builded up the muscle There was no time or space left to claim

Iglesia de la calla transcontinentau Cigano urbano maracatu rurau

We gonna build new kind of globalizer Without pantzer-foust or a shmiser And may the sound of our contaminated beat Sweep all the Nazi purists off their feet

Hey hey hey, hali hali ho, hali hali hey Hey hey hey hey, hali hali ho, hali hali hey Hey hey hey hey, hali hali ho, hali hali hey Party!

Contamination
Amalgamation
Cross-pollination
Is on the way, on the way!
Hey hey hey hey, hali hali ho, hali hali hey
Cross-pollination, hali ho, is on the way
Contamination, ha hali ho ha ha...
