I am a foreigner and I'm walking  
through new streets  
But before I want to I see the same deeds  
Inherited by few a power machine  
That crushes you and strangles you  
Right in your sleep  
But be it me, or it's you, the leisure class  
I think we all know:  
That be it punk, hip-hop, be it a reggae sound  
It is all connected through  
The gypsy part of town...  
Let's go!  
It's the underdog world strike!  
And let your Girl Scouts lip-synch  
about the freedom  
Just the way you like them,  
but soon enough you'll see them

Soon enough they all turn around  
And soon enough you'll see them  
in a different part of town  
But be it me, or it's you, the leisure class  
I think we all know:  
That be it punk, hip-hop, be it a reggae sound  
It is all connected through  
The gypsy part of town...  
Let's go!  
It's the underdog world strike!
